ME

YOU

"It Takes Two"

Marvin Gage & Kim Weston

Most married couples in later life wish to stay together, especially if one partner becomes ill, or needs regular help.

At Porritt House we have a small number of Double Suites, especially for these couples, so they can stay together, while being fully supported by a team of experienced staff.

'We are Family'

Sister Sledge

Say hello to some of our Team, who go "Above and Beyond" to ensure everyone feels part of the Porritt Family. These team members have between them an accumulated experience of 168 years of Health, Social Care & Hospitality Experience, alongside our Maintenance Manager (Kevin on the left), who has been with us for 11 years.

You are Definitely in Safe Hands

Our own team is here to help you to maintain an achievable level of Independence, but you can also be Safe in the knowledge that if the need arises, additional Care is available, from Thornwood Care, headed by Sarah (below) and her own team of experienced Social Carers, who have independently supported clients at Porritt House for eight years.

Meet the Team who go "Above and Beyond"

Our fee structure means that you're not paying for Hands on Care when you physically don't need it. Should the need arise however, the money you have saved over the years ensures you have the funds to receive any additional support when you do.

We are very proud to say Good Luck to two of our part time staff as they commence their new future in their chosen career paths.

Jess has recently qualified as a Midwife at the Fylde Coast Birthing Centre after Forty deliveries, and Lucy has also qualified, with a degree in Law, and recently got married to her long term boyfriend Ben. **Congratulations ladies, you've both earned it.**

We shall miss you both while looking forward to hearing the news of your new lives.

We love Celebrations

We always look forward to celebrating our residents Birthdays, with tailored parties to suit their individual personalities, and of course a Special Cake baked and Decorated in our own kitchen.

Talking of cakes, I loved putting this little number (plus a 100 cupcakes) together for our Lucy and her lovely new husband, Ben, for their recent wedding in September.

Christmas Day Lunch Table

We're Proud of our Difference at Porritt House

Fund raising for Macmillan Cancer Support

On Sunday 28th Sept we held this years fund raising Tea & Tiffin party for Macmillan Cancer Support.

A lot of hard work goes into the preparation for the day but it's very rewarding.

Tables were laden with homemade fayre and foraged produce including Crab Apple Jelly, Rosehip Syrup, Elderberry and Plum Jam and Rowanberry Jelly to accompany hot Samosas and Spring Rolls.

There were tiered plates with sandwiches filled with Cream Cheese & Smoked Salmon, Home Baked ham and Salmon & Cucumber, Cake plates with Chocolate Brownies, Scones with Cream & Jam, Mini Victoria sponges filled with Swiss Meringue Buttercream & Elderberry Jam, layered with Rosehip Syrup, and followed by individual Sweet Treats of Mandys' infamous Tiramisu and Fizzy Blackberry Jelly.

All washed down with a Complimentary glass of Prosecco or Fresh Orange Juice and of course a big old pot of Fine English Tea.

We held a raffle with prizes donated by local businesses such as St Annes Timber, also from clients, their family and friends. **Thank You All**

During the tea, Theo, a young talented magician, who won a Performing Arts Scholarship, and attends Rossall School, entertained the guests with some excellent Card Tricks, performing up close at everyone's table. I'm sure we'll see him on "Britains got Talent" before too long.

Well done
Team Porritt
**We Raised a Total of
£668:20p**
**Beating last years
total by £120**
A big thank you to all
our clients, guests
and to our staff for
their personal
contributions
